

## MEMBERSHIP

**M**any thanks to Liz MacKenzie for her sterling work on membership over the last three years. For 2008 Liz hands over to Anna Lloyd, and we have already moved the membership system forward. The membership database is now held on a secure online server, allowing us to centralise the data. All members are provided with their own access details, allowing them to edit their own records ensuring we have your latest details. Membership can now be paid online using your credit card.

## NEW WEBSITE

As you will have seen with the new online membership system, the Mirror website – [www.ukmirrorsailing.com](http://www.ukmirrorsailing.com) – is undergoing some significant developments. Now every member has unique access codes, we can create areas of the site just for members.

Other exciting features to look forward to include the new Mirror Shop, allowing you to order a variety of Mirror products online.
