

MIRROR JAMBOREE

Easthead Beach

For a number of years, the Itchenor Mirror Fleet have had a Family Rally on one day in the summer, with the East Head Beach in Chichester Harbour being the rendezvous point

It's all very casual and informal with the emphasis on family fun. The fleet tends to be a mixed bag of kids and parents with an equally mixed bag of 'nanny' motorboats. (There is no official rescue boat cover.)

Once assembled, games, swimming, cavorting, and gossiping naturally develop as the mood takes people and weather permits. This summer it will happen on July 19th and we are suggesting that other Mirror fleets and owners around the Harbour join in the fun. And even those from other Southern Mirror Clubs, if the idea appeals. ■
